

**SIR ROBERT BORDEN HIGH SCHOOL
EXAMINATION TIMETABLE – JANUARY 2010**

Student Responsibility: It is the responsibility of students to know the date and room location for their exams and to ensure that they are present for each examination they are required to write.

Exam start times: Please note the time changes for the exam schedule. Morning exams will start at 09:00AM as in the past however afternoon exams will start at 12:15PM. Students must remain in the examination room for the first hour of their scheduled exam.

Length of exams: All grade 9 and 10 exams are set to allow completion for the majority of students in 1.5 hours, except the board-wide math exam which is 2 hours. Grade 11 and 12 exams are set for 2 hours, except the board-wide English which is 3 hours.

Accommodations: This exam schedule acknowledges individual differences and that high stakes summative assessments need to be flexible. All SRB students are therefore provided time and a half to complete exams. The exceptions to the extra time policy at SRB are the board-wide examinations which are governed by Board policy.

Final evaluations are compulsory: All students must write their final exams (refer to the OCDSB Secondary Educator’s Resource Guide for Assessment, Evaluation and Reporting of Student Achievement). For students missing an examination due to illness a medical certificate must be presented to the Vice Principal.

Postponement of Exams: Should exams be postponed because of inclement weather, heating/cooling system or electrical breakdown, etc., the “bump and slide” principle will apply: each day’s examinations will be written one day later than originally scheduled. Should this occur students are expected to be available to write their exams.

Tutorial Day: Wednesday January 20th is the last day students can submit any outstanding term work for their semester 1 courses. Thursday January 21st is designated a Tutorial Day. In order to prepare for examinations students are encouraged to attend during regular school hours, at which time each subject area will be providing an extra help room to assist with exam preparation.
